“ADOPT a CARE FACILITY PROGRAM”

Care & Assisted Living Facilities are all over the country. Most of these have patients/residents that are veterans. We need help reaching these veterans and identifying and honoring those on their Last Patrol.

Our Mission:

Befriend, Honor, and Support Veterans in Hospice Care

How to Make A Difference:

By visiting and being a liaison with Care Facilities in your town you can help us reach and honor more veterans. This is how:

- ★ Contact Care Facilities in your area.
- ★ Establish a relationship with the facility staff and let them know about our mission.
- ★ Ask if you can provide companionship for and honor those veterans who are on their Last Patrol.
- ★ Work with us for Honor Ceremony kits to present to these veterans.
